KEYNOTE SPEAKERS

Brian Russell Roberts

Brigham Young University, United States

Professor of American Studies at Brigham Young University whose research explores transnational American Studies, literature, migration, and global cultural connections. His work examines how American identities and narratives move across borders and shape international perspectives.

Ida Rochani Adi

Universitas Gadjah Mada, Indonesia

Professor at Universitas Gadjah Mada affiliated with Jogja Film Academy, Caritra Indonesia, and LSP Cipta Sinematika Indonesia. Her work focuses on American Studies, popular culture, literature, film, and cultural representation in contemporary society.

Anna M. Gade

University of Wisconsin–Madison, United States

Vilas Distinguished Achievement Professor at the University of Wisconsin–Madison specializing in Environmental Humanities, religion, and ecology. Her work explores sustainability, climate ethics, and Islamic environmental thought, with longstanding academic collaborations in Indonesia and Southeast Asia.
